I submit following few lines for your kind consideration and necessary action. when I took over charge as a full time principal the then Principal(FAC) Sri. Sk Abdul Kalam handed over to me only UGC Cash Book and RUSA Cash Book only and the rest of the documents are pending. The college was with FAC principals from 2016 onwards. Inspection committee was appointed on 04.01.2018 by the then Regional Joint Director, Guntur vide Ref No.1 and the committee Visited GDC, Macherla from 22.11.2018 to 24.11.2018 and it never submitted the report either to RJDCE or Principal. In these circumstances I request for **in Depth inspection** from 30.06.2016 till date. All the accounts and cash books are mismatched to Bank Statements and also treasury and Budget bills are not matching.
